GCSE FINE ART- OCR

This two-year course is designed to offer students the opportunity to work in a range of materials, both 2-D and 3-D, experiment with their own personal ideas and develop a range of creative processes. Students will develop skills learnt in Key Stage 3 and will also investigate different themes and subjects from the work of other artists to aid in their creative process. Year 10 is an opportunity for students to develop their skills and learn new techniques.

Assessment

Assessments are based on the recording, development, refinement, and presentation of an idea. Student success at Art GCSE can be attributed to skills in handling materials and a disciplined approach to productivity, ensuring work is produced to the highest of standards and the deadlines met.

The course is made up of two components; a Portfolio (60%) and an Externally Set Task (40%). Students will be expected to develop artefacts and personal outcomes in relation to their chosen

area of study. The Portfolio is made up of

practical work, which explores the skills,

knowledge and understanding in the

learner's chosen practical area of study.

This specification is 100% non-exam

assessment; all components are internally

marked and externally moderated by visit.

Course Aims

A GCSE in Art & Design (Fine Art) can

lead to further studies and potential employment in fields such as: Graphic Design, Illustration, Fine art, Fashion, Interior Design, Theatre Design, Film Making, Architecture, Photography or Animation. The course offered has high expectations in terms of the work produced both in terms of quantity and quality, but the personal rewards are well worth the hard work!

Further Information

If you have any questions regarding GCSE Art & Design, please speak to Mrs Kew or Ms. Pearce.
