FILM NEGATIVE

On the afternoon of Friday 28th March, Year 8 students learning German took part in a German café event. Students both ordered the food and played the part of the waiters all in German! The students tried German pretzels (Brezel), marble cake (Maromorkuchen) and biscuits (Kekse).

The behaviour and engagement of the students was excellent with lots of German spoken and students enjoying the Bavarian folk music as well.

STUDENT VIEWS...

"The German Cafe event was outstanding."

It was also amazing to practice my German skills as I love the language. Thank you for the amazing experience!"

"I liked the German cafe as I was a waiter and I spoke German and it made me more confident talking about food in German. Before I was a little scared but after I was able to speak German better."
