

SENIOR STUDENT CONFERENCE

THE FINAL CELEBRATION!

As part of the Arden Multi Academy Trust Senior Student programme, our Year 11's met with students from the other three Trust schools for the final time to deliver their presentations and words of wisdom to the Senior staff this term.

They impressed us with their insightful views and they spoke about their personal experiences at LHS both in and out of lessons.

Most of all they told us about all the amazing opportunities they have had at LHS and why they were are so proud to be such a huge part of it.

Senior Students- we are incredibly proud of you and thank you for all your hard work and commitment to Lode Heath School.
