Homework guidance:

Pupils will receive a minimum of one homework per week for which they will be expected to spend a minimum of 30 to 60 minutes completing. These will be a combination of written, research, knowledge retrieval and investigative homework's. **Failure to complete homework will result in a 25 minute after school detention, in which they will be expected to complete the homework.**

How can you help?

Encourage pupils to make use of resources that are uploaded on to google classroom.

Encourage pupils to read the news to keep students up to date with local and global events as this will support their understanding

You can help them by ensuring their homework is completed on time. Supporting them with their written work and encouraging them to research and then reduce and summarise information rather than copying from the internet.

Encourage them to read out their work to you and explain it in their own words to ensure that they understand it. Get them to check through their work and correct errors with spellings and presentation.
